ANCIENT GROOVE MUSIC

O clap your hands

Psalm 47

Edited by
Ben Byram-Wigfield

ORLANDO GIBBONS
(1583 - 1625)

This chief purpose of this edition is the representation of the parts into two choirs (SATB, SATB), rather than one eight-part choir of SSAATTBB, as is common in other editions. In other respects it does not aim to be significantly distinct from other editions. It is hoped that this will be more useful to conductors by making the antiphonal textures more apparent, and to singers by allowing them to read 'nearby' parts more readily.

Source: York Minster Library, Gostling part books. Note values have been halved and the music transposed up a minor third. Small accidentals are editorial, bracketed accidentals are cautionary. Editorial alterations are marked in footnotes on the relevant page.
